National Museums Liverpool
International Slavery Museum

OUR VISION is to work in partnership with young people, their teachers and supporting networks; to develop a relevant lifelong learning programme which produces innovative, creative and awe-inspiring resources to engage, challenge and consider the global atrocities and consequences of historic and contemporary slavery.
International Museums Teachers’ Institute 2009/2010

"I found the course to be highly engaging, interesting and thought provoking."

"I found the course to be highly engaging, interesting and thought provoking."

Federation of International Human Rights Museums - September 2010
National Education programme 2010 in Liverpool

"Excellent and insightful research covering a good range of past and current research on the topic. I will use many of the practical strategies…

an enjoyable, research based, rounded and intellectually stimulating discussion."
